IL 3 between Columbia and Waterloo in Monroe County

Waterloo – The Illinois Department of Transportation today announced that IL 3 from Gilmore Lake Road to Halifax Drive will be intermittently restricted to one lane in each direction beginning Monday, September 30, 2019, weather permitting. This work will take place daily and traffic in each direction will be maintained using flaggers. All northbound lanes will remain open between 6 AM – 9 AM and all southbound lanes between 3 PM – 6 PM. This work is necessary to complete pavement repairs and asphalt resurfacing and is expected to be completed by late November 2019. Additional guardrail work will be completed throughout the winter and all work will be completed by Spring of 2020.

Motorists should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

The contractor on this project is Christ Brothers Asphalt, Inc. of Lebanon, Illinois.
